if "You're a Mac" you need to be a part of this. appleJAC Macintosh Users Group

The appleJAC Macintosh Users Group (appleJAC MUG, founded in 1984) is a nonprofit, all-volunteer community organization dedicated to sharing information about the Macintosh computer platform, and related software and hardware. Whether a new user or a veteran, your level of expertise does not matter.

Everyone is welcome to our meetings, where friendly, supportive members share computer information and expertise. Our membership includes business users, press professionals, educators, technicians, photographers, musicians, teachers, students and Mac hobbyists. If you are interested in the great world of Apple computers, iPhones, iPods and such, come join us at our next meeting.

MONTHLY MEETINGS

First Tuesday each month. Visit our Website:

applejac@mac.com for meeting times and locations

7:00 - 7:30 p.m. Introductions and Q & A

Meet the individuals that love Apple products. With our gurus at meetings, your questions about software and hardware issues are answered, and you will learn Apple news concerning products and promotions.

7:30 - 8:00 p.m. Feature Presentation (Part 1)

Topics and guest speakers vary and include hardware, system and application software, new trends in computing, and more.

8:15 - 8:45 Feature Presentation (Part 2)

8:45 - 9:00 p.m. Business Meeting

Current issues/opportunities, Board Member reports, periodic contests, training session announcements, and other news.

MEMBERSHIP PRIVILEGES

appleJAC Digest

appleJAC's monthly newsletter is web-based and provides ongoing information about the club, the latest trends in Macintosh computing, software reviews, helpful hints and tricks, humorous anecdotes, and schedules for area Macintosh-related events.

Macintology Gurus

When you're stumped and need answers to computer questions, help is only an e-mail away. Local experts volunteer their time to answer appleJAC members' Macintosh questions.

Door Prize Drawings

appleJAC members are eligible to win excellent door prizes given away at meetings. Software, hardware, books, and computer-related items are given away each month.

Software/Hardware Discounts

Members can also take advantage of terrific new discounts provided every month for all of the above-listed items. These are special arrangements for Apple user group members only.

Training Mac

Classes are held periodically for appleJAC members and invited guests. Subjects vary widely, and include software programs, iPhone apps, hardware demos, web browsing, and other topics selected annually by the membership.
