Getting the Most Use Out of Your iOS Devices

****Magnifier Shortcut:****

<https://support.apple.com/en-us/105102>

Triple-press the side or home button to enable the Magnifier tool, turning your iPhone into a magnifying glass.

****Hidden Level in Compass App:****

<https://support.apple.com/guide/iphone/measure-dimensions-iph8ac2cfea/ios>

(iOS 6-11) Open the Compass app and swipe left to reveal a hidden bubble level useful for checking if a surface is flat. (iOS 12-17) Use Measure.

****Live Listen for AirPods:****

<https://support.apple.com/en-us/HT209082>

Use your iPhone as a microphone with Live Listen. Enable it in Settings > Control Center > Customize Controls, and then tap the hearing icon. (upper-right screen Control Center > Sound button > AirPods > Live Listen).
